# *Our Invitation*

## *The 1949 Iowa Royal*

It is with much pleasure and a feeling of genuine satisfaction that we invite everyone interested in good livestock to attend the IOWA ROYAL SHORTHORN SHOW AND SALE of 1949. Both of these events will take place at the Iowa State Fair Grounds, Des Moines, Iowa, the show on Monday, March 14th and the sale on Tuesday, March 15th.

We have assembled a most uniform offering of quality Shorthorn cattle, both bulls and females. These cattle are suitable for breeders, ranchers and farmers who wish to add quality to their herds. All cattle offered have been raised under the ordinary farm conditions and thus, with reasonable care and attention can go anywhere and show real improvement.

**IOWA** producers are proud of their individual and state records in Shorthorn production. It is from our Iowa breeders that only outstanding cattle are accepted for the IOWA ROYAL. Buyers are aware of this reputation.

The cattle offered in 1949 have been consigned by leading and responsible breeders within the "Tall Corn State." These herds have been in operation for many years. The cattle have been healthy. They are prolific. Our offering comprises outstanding bulls and females of the Shorthorn breed.

We welcome as our guests breeders of Shorthorn Cattle, members of the 4-H and FFA Clubs, farmers, bankers, ranchers, business and professional men as well as their ladies and families. You will enjoy the show. You will find individuals you need whether it is for herd improvement, for foundation purposes or a combination of both.

BROOKHAVEN FOOTPRINT 2d 2512028—We think he is the best herd bull prospect we ever consigned to any sale. He has a good head, low-down, and stands on straight sturdy legs.. His sire is Marellbar Footprint, a half-brother to the famed Marellbar Mandate. We think his dam is one of the best breeding cows in the herd. We take pride in representing a bull of his type to the Iowa Royal sale.
